The time period for reply, if any, is set in the attached communication.

Notice of the Office communication was sent electronically on above-indicated "Notification Date" to the following e-mail address(es):

ipdocketing@milestockbridge.com
sstiles@milestockbridge.com

Advisory Action

Status of Amendment after final

The response after final dated 09/05/08 has been entered.

Status of pending claims

See the final rejection dated 04/08/08.

Response to Arguments

Applicant's arguments filed 09/05/08 have been fully considered but they are not persuasive. See below.

In response to the applicant's arguments in the paragraph bridging pages 2 and 3 of the response dated 09/05/08, it is submitted that Takashi et al. in combination with Kinoshita, Kitahara et al., and Moyer teach the claimed invention.

In response to the applicant's arguments in the paragraph bridging pages 3 and 4 of the response dated 09/05/08, it is submitted that Kitahara is being relied on only for the broad teaching of using oxide to isolate bipolar transistors. Further, it is submitted that it is the combination of Takashi et al., Kinoshita, Kitahara et al., and Moyer that teaches the claimed invention.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Long Pham whose telephone number is 571-272-1714. The examiner can normally be reached on Mon-Frid, 10am to 5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wael Fahmy can be reached on 571-272-1705. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
